Payment Options

Upon submission of your manuscript, you'll need to select **one** of the **three** payment options.

Please note that funding, discounts and waivers will only be awarded if the CORRESPONDING Author qualifies. Therefore it is essential that you have correctly flagged the Corresponding Author on the "Authors & Institutions" submission step.

Depending on the Corresponding Author's institutional affiliation or funding source:

- 1. The Corresponding Author's institution or funder has an existing agreement with Wiley and may pay the Article Publication Charge from this account on behalf of the author, or offer a discounted APC.**

Use our [Account Code Finder Tool](#) to check if the Corresponding Author's institution or funder has an agreement with Wiley that may pay your Article Publication Charge or offer a discounted APC. If their institution or funder is listed, choose this option.

- 2. The Corresponding Author (or their institution) will pay directly or will arrange payment (request an invoice) for the APC.**

Select this option to pay or to arrange payment for the Article Publication Charge. Choose this option if the institution requires an invoice for payment. You can pay by credit card, invoice or proforma. If you choose this option, you may also be eligible for certain discounts from the "Discounts That May Apply" section.

- 3. The Corresponding Author is from a country on the [Wiley Open Access Automatic Waiver List](#) and may be eligible for an automatic waiver of the Article Publication Charge.**

If the Corresponding Author is from a country that appears on the list linked to above, select the Automatic Waiver option.

The main heading is "Wiley Open Access Account Codes". Below it, a message states: "You've been directed to this page because you indicated that a third party may be paying for your article publication charge." A paragraph explains that users should use dropdown menus to find their institution or funder, and that if not listed, they may need to select a different payment option. There are two dropdown menus: "Select your country:" with "Hungary" selected, and "Select your account:" with a list of institutions. The first item in the list, "Budapest University of Technology and Economics (Pays 100% of APC for primary research and review articles)", is highlighted in blue.
